Dear Mr. Budgen:

I have received your request for an alternative irrigation schedule for the Community-owned portions of Orange Tree Subdivision. I appreciate you working with Mr. Gladwell in clarifying aspects of the request and modifying the irrigation system to separate the landscaping from groves, where necessary. As we discussed, the landscape is subject to different limitations than areas in grove, so this modification was necessary in order to consider your request. I have reviewed the request and necessary changes, and in accordance with Lake County Code of Ordinances, Article VII, Section 21-172, your request for variance to the standard irrigation schedule is approved.

You are authorized to conduct landscape irrigation in accordance with the alternative schedule provided here:

<b><i>Eastern Daylight Time</i></b>	<b>Landscape</b>	<b>Groves</b>
Northern Entrance	Tuesday Night/Wednesday Morning, Friday Night/Saturday Morning	Tuesday Night/Wednesday Morning, Friday, Sunday
Southern Entrance	Monday Night/Tuesday Morning, Thursday Night/Friday Morning	Monday Night/Tuesday Morning, Thursday, Saturday
Eastern Area (Tennis Court/Pump House)	Tuesday, Friday	Tuesday, Friday, Sunday

<b><i>Eastern Standard Time</i></b>	<b>Landscape</b>	<b>Groves</b>
Northern Entrance	Tuesday Night/Wednesday Morning	Tuesday Night/Wednesday Morning, Friday, Sunday
Southern Entrance	Monday Night/Tuesday Morning	Monday Night/Tuesday Morning, Thursday, Saturday
Eastern Area (Tennis Court/Pump House)	Tuesday	Tuesday, Friday, Sunday

Operating time of individual zones is approved as indicated on the attached maps of the subdivision.
